

INTERNSHIP SERVICES AGREEMENT

This Internship Services Agreement (hereinafter “**Agreement**”) is hereby entered into as of this day, the 11-Aug-2026

BY AND BETWEEN

M/s. Aadhyaraj Technologies LLP Represented by Mr. Adithya Nuthakki, aged about 46 years, Occ: Business. H/o #401, 4th Floor, Sri Sairam Estates, Prathap Nagar, Nagarjuna Nagar Colony, Ameerpet, Hyderabad, Telangana 500016, India

(Hereinafter called as the FIRST PARTY/COMPANY, the expression of the First Party wherever used shall mean and include all his/her respective heirs, legal representatives, executors, successors, administrators, assignees, nominees, etc. of the ONE PART)

a limited liability company incorporated under Limited Liability Partnership Act, 2008 having its office at 1st Floor, Shakti Nilayam, Capital Pk Rd, Cyber Hills Colony, VIP Hills, Silicon Valley, Madhapur, Hyderabad, Telangana 500081, India (the “Client” which term shall include parent and subsidiary companies and permitted assigns);

AND

Ms. Sakala Naga Chandana, aged about 22 years, Occ: Student, D/o Sakala Naga Prasad, H No: 29-152-3, SBI Colony, Nandhyal, Kurnool Dist., Andhra Pradesh - 518501, India (the “Intern”, which term shall include successors and permitted assigns).

The Company and Intern are hereinafter collectively referred to as the “**Parties**” and individually referred to as the “**Party**”.

WHEREAS, the Client is M/s. AADHYARAJ TECHNOLOGIES LLP

WHEREAS, the INTERN is SAKALA NAGA CHANDANA.

WHEREAS, the Client desires to engage the Intern to provide certain services in the area of Intern’s expertise and the Intern is willing to provide such services to the Company;

NOW, THEREFORE, in consideration of the mutual covenants and agreements set forth below, it is hereby covenanted and agreed by the Company and the Intern as follows:

1. Term

This Agreement shall commence on 12-Aug-2026 and continue for a period of 6 Months. The intern shall have a probation period of 3 months after which their compensation would be finalized based on their performance and due diligence of duties performed. Once the internship is completed and the compensation is finalized, the intern would be eligible for a full-time role with the client based on the discretion of the client and performance of the intern.

2. Scope of Work

- **Website & Web Applications Development:** Actively participating in designing, developing, and maintaining websites and web applications. This involves writing clean and efficient code.
- **Troubleshooting and Bug Fixing:** During the internship, you will encounter real-world challenges and bugs that come up during the development process. You'll also be involved in troubleshooting issues and working collaboratively with the team to identify and implement effective solutions. Learning to debug and fix problems will be a crucial part of your growth as a developer.
- **Responsive Design:** There is an ongoing demand for responsive design to ensure websites look and function well across various devices and screen sizes. As an intern, you will learn and apply responsive design principles to create websites that are visually appealing and accessible on desktops, tablets, and smartphones.
- **Collaboration and Communication:** Effective communication and teamwork are essential in any development effort. As an intern, you will collaborate with designers, other developers, and stakeholders to understand project requirements, provide status updates, and contribute to discussions that shape the direction of web projects. This experience will teach you valuable soft skills that complement your technical abilities.
- **Testing and Optimisation:** Developers must ensure that their code is efficient and reliable. You will be involved in testing the functionality of websites and applications, identifying performance bottlenecks, and optimising code for better speed and user experience.
- **Learning and Skill Enhancement:** Throughout the internship, you will be encouraged to expand your knowledge and stay up to date with the latest trends and technologies in web development. You may be given opportunities to explore new tools, libraries, or frameworks that align with the company's projects.
- **Documentation:** Accurate and clear documentation is crucial in any development process. As an intern, you will be required to document your code and project-related activities, making it easier for other team members to understand and maintain the projects in the future. Web development internships provide an excellent platform for budding web developers to gain practical experience and hone their skills. By working on real-world projects and collaborating with experienced professionals, you will be well-prepared to take the next step in your web development career after the completion of the internship.

3. Compensation

In consideration for the Internship Services, the Client shall not pay the Intern any fee for the first 3 months. After the completion of the probation period (3 Months), the compensation would be finalized based on the performance of the intern.

4. Intellectual Property Rights in Work Product

The Parties acknowledge and agree that the Client will hold all intellectual property rights in any work product resulting from the Consulting Services including, but not limited to, copyright and trademark rights. The Intern agrees not to claim any such ownership in such work product's intellectual property at any time prior to or after the completion and delivery of such work product to the Client.

5. Confidentiality

The Intern shall not disclose to any third party any details regarding the Client's business, including, without limitation any information regarding any of the Client's customer information, business plans, or price points (the "Confidential Information"), (ii) make copies of any

Confidential Information or any content based on the concepts contained within the Confidential Information for personal use or for distribution unless requested to do so by the Client, or (iii) use Confidential Information other than solely for the benefit of the Client.

6. Expenses

The Client shall pay reasonable and pre-approved out-of-pocket expenses related to the departments to the Intern.

7. Relationship of Parties.

The Parties to this Agreement are independent contractors. There is no relationship of partnership, joint venture, employment, franchise, or agency between the Parties. Neither Party will have the power to bind the other or incur obligations on the other's behalf without the other's prior written consent.

8. Termination:

Either party may terminate this Agreement with written notice if the other party breaches any material term or condition. The client can terminate the agreement at anytime if the performance of the intern is not satisfactory or there is a breach.

9. FORCE MAJEURE:

Neither Party shall be held liable or responsible to the other Party nor be deemed to have defaulted under or breached the Agreement for failure or delay in fulfilling or performing any term of the Agreement during the period of time when such failure or delay is caused by or results from causes beyond the reasonable control of the affected Party including, but not limited to, fire, flood, embargo, war, acts of war (whether war be declared or not), insurrection, riot, civil commotion, strike, lockout or other labor disturbance, act of God or act, omission or delay in acting by any governmental authority, provided the affected Party has promptly notified the other Party of such force majeure circumstances as soon as reasonably practicable, and makes reasonable efforts to

overcome force majeure and minimize the consequences of the force majeure, and resumes the performance of its obligations as soon as force majeure terminates.

IN WITNESS WHEREOF, by execution by the parties below, this internship Agreement will form a part of the Contract.
